Personal Note from the President:

Welcome back to a brand new school year, one that promises to be a great one. We have gotten off to a great start. At the Meet the Teachers Nights, I invited you to become an involved parent at Christ the King Catholic School and gave you lots of examples of ways to get involved. For those of you who signed up to volunteer. Thank You!!! If you have never volunteered, please consider doing so. As a new parent at CKCS three years ago, I was encouraged by the principal at the time, Sister Maureen, to get involved. She not only encouraged me but almost insisted. It truly was a gift that she gave me in doing so (in her very quiet way). I have met some amazing individuals and have enjoyed giving back to a school that has given my children and family so much. If ever you have question or comment, please feel free to call me. I look forward to working with all of you to make this year a great one!
