

What is the Scrip Program?

The SCRIP Program is an ongoing fundraiser sponsored by Christ the King Catholic School Board. It is with this money that the extras your child needs for a quality education are obtained. Extras like computers, playground equipment, classroom supplies and teacher needs are just a few examples of the many things this program could provide for our students. Here are the most frequently asked questions about SCRIP.

What is Scrip?

It is a gift certificate or gift card.

How do I order Scrip?

Go online to www.scripzone.com, create your user account and insert our Group ID: **251626CKCS**. Complete your order by Friday. Send a check to the office on Friday by 3 pm. If you pay by credit card this step is unnecessary. Scrip cards will be sent home in your child's Wednesday take-home folder. Some scrip will be available in the office (Walmart, Winn Dixie, Bruno's, and local vendors).

What does it cost?

Absolutely nothing extra. You pay face value for the scrip. For example: a \$25.00 Winn Dixie card cost you \$25.00.

How does Christ the King make money?

The scrip is sold to the school for a percentage discount. These percentages are shown online. For example: Winn Dixie's percentage is 4%. You pay face value for a \$25.00 gift card, but the school buys it for \$24.00.

Why should I participate?

It is a painless way to raise money for the extras our children need here at school. Once your family makes \$150.00 profit, you will receive 50% of the overage toward your next year's tuition.
